LIBRARIAN'S REPORT

January 1971 to January 1972

The Town appropriation of \$200 was used partly for operating expenses such as Fuel oil, electricity, insurance, etc. And the purchase of some books in the Juvenile and adult category.

There was no State Aid money forwarded. The State Aid would have been \$20. This was all due to the Librarian's error.

Mr. Edward McGough donated a very large sum of money and many adult and children's books during the year. These to be 'in memory of his sister Mrs. Julia McGough Ferullo of Rockville, Maryland.' This material is so marked and in circulation.

Many 'Neighbors and Friends' of the Library have donated large amounts of money and many useful books. These books are also in circulation. The Librarian has again accepted 15 used books in lieu of book fine money. These are also in circulation.

During the summer vacation, the following have given their time assisting in all Library work: Miss Lisa Pulkinen - V. Payne — S. Brown — C. Lydecker. All the girls say this experience assisted them in school work and other duties. Mrs. June Davis, Mrs. Hilda Kirwan and Mrs. Florence Denny assisted Mr. McGough in selecting books.

A Library Association Meeting was held on June 23 at 7:30 P.M. Elections were as follows:

President — John F. Kirwan

Vice President — Arnold Buck

Secretary — Esther Records

Treasurer — Milo Denny

Librarian — Florence M. Denny

Assistant Librarian — Hilda Kirwan

Trustees: H.A. Jørgensen, J. Vind, O.

Chairman – Myrtle Gordon

James Timberlake

Helen Timberlake

Edward Hamblin

Marcia Hamblin

Rueh Gordon 01/27/2011 12:21

Mr. Oscar Turner was elected President Emeritus

Mr. Edward McGough, Alden Wheeler and Ella McCullough were all elected Honorary Trustees.

Many other members of the Association have been considered 'friends of the Library'.

All reports were read at the meeting and O.K.'d by the Trustees.

Mr. John Kirwan assisted the Librarian in cataloging many books during the past year. Mr. Edward Hamblin had copies made of the By-Laws. Any citizen wanting some may call at the Library after 2:30 P.M. on Wednesday.

There are now 10,510 books ready for circulation in the Library. 300 were discarded during the year due to age and poor condition. Circulation was 2,509. Library was closed Dec. 15 and Dec. 22 due to illness. Library was open every Wednesday from 2 to 5. Summer hours: 2 to 4 P.M. Mrs. Davis and Mrs. Hinckley (teachers at Brettuns) decided to bring their classes to the Library in January. This is included in the circulation count.

At this time I wish to thank all the girls for assisting in Library work. A special thanks to Edward McGough for being so very generous, and to all others who assisted in the Library.

Many folks from Canada, New York, Connecticut and Maine visited our Museum during 1971. Once again, the Bird Egg exhibit took priority. Maine visitors returned many times to see and hear about this collection. School children were greatly interested.

As usual, there were no salary expenses. All work concerned was done on a voluntary basis.

Respectfully submitted,

MRS. FLORENCE M. DENNY
Librarian

Franklin Area Mental Health

ANNUAL REPORT

During the year of 1971 Franklin Area Mental Health made several substantial changes in direction. It was recognized that the scope of mental health and counseling needs in the area could not be met by the limited number of personnel employable by the limited funds available from the towns and matching funds through a variety of programs. Although not everything was successful this did lead to the funding of four new positions in November through the Emergency Employment Act. Now, instead of only one full-time counselor and the part-time services of Dr. Charles W. Eastman, there are two mental health counselors working with adult mental health problems and there are two counselors working specifically with children throughout the area. Also, there is now an alcoholism counselor who assists in the rehabilitation of persons with problems with alcohol. Attempts are being made to meet the needs of the area by realistic economic methods. The above personnel will be a step toward obtaining that goal. Emphasis will be placed on planning and coordination expected without added local costs.

Your town is asked to contribute at the rate of \$.50 per person to continue its participation in this service. Again this will provide for considerably more services than was previously available in the area. At this time in order to continue to expand services, however, the Board of Directors has decided that in the near future a fee schedule, based on a sliding scale, according to ability to pay, will be charged for services. This will be in accordance with all other mental health programs in Maine.

Androscoggin Home Health Services, Inc.

ANNUAL REPORT

In January 1972 the Androscoggin Home Health Services observed its fifth anniversary of services to people of the Tri-County area. During these years we have provided over 70,000 home care visits to more than 3,000 patients. While we view these statistics with some pride, we would hasten to acknowledge that the agency owes a debt of gratitude to many persons, both lay and professional, and to the communities which comprise the area for making it possible for us to serve people. Without the help of so many, our fifth anniversary would be a bleak affair.

Community health agencies have a responsibility to continually bring the services they offer to the attention of the public as a means to promote their appropriate use. At the risk of repeating information which has appeared in previous reports to communities, I believe it is important to restate some basic information about our services.

Home health services are primarily designed to meet the needs of sick and/or disabled persons. Frequently, these are people who have been hospitalized, but continue to require part-time nursing care on an intermittent basis. Not infrequently, the availability of this service makes it possible for a patient to leave the hospital sooner than would be the case were professional care in the home not available. Referrals to the agency may come from any source—spouse, neighbor, friend, etc.—but on-going services must be under the direction of the patient's own physician. In addition to nursing, we provide the services of physical therapists and health aides, the latter service now being implemented throughout the region.

Patients are able to pay for home health services in a variety of ways including Medicare, Medicaid, major medical insurance, and the Veterans Administration to name a few. Fees are charged in cases where there is no third party payment mechanism, but these are based on a sliding fee scale which is designed to take into consideration each family's ability to pay.

We at "Androscoggin" are continuously seeking to develop ways to bring better services to more people, and we are confident that several recent developments will assist us toward this goal in 1972. We are particularly pleased to announce at this time that we have most recently entered into a one-year pilot project with Associated Hospital Service of Maine (Blue Cross-Blue Shield). As a result, Blue Cross subscribers in this service area will be eligible for home health care benefits beginning this spring.

In 1971 we provided fifteen thousand, one hundred twenty-eight visits to the entire region. Of this total twenty-six visits were to residents of Livermore.

On behalf of the Board of Directors and staff of the Androscoggin Home Health Agency, I want to express appreciation for the continuing support of the people of Livermore.

Respectfully submitted,

RICHARD H. HOOPER
Executive Director

1456-A Spark arresters on certain equipment

No equipment for producing power shall be operated in, through or near forest lands unless it is provided with approved and efficient spark arresters designed to prevent the escape of sparks, carbon deposits or other substances likely to cause fires. The operator of equipment not provided with such a spark arrester or having such a spark arrester which is not in effective operating condition shall be punished by a fine of not more than \$100 or by imprisonment for not more than 30 days or by both.

1653 Partial payments of costs of suppressing forest fires.

Any person, firm or corporation who shall willfully or negligently cause a fire which burns forest, brush, grass or other lands or shall willfully fail to take reasonable action to control a fire on his own land shall be liable civilly up to a maximum of \$500 of the suppression costs to the State or municipality which aids in suppressing the same.

2436-A Burning of debris

For the purposes of this section "debris" shall be defined as any manufactured products, household rubbish, hay or other vegetative accumulations or materials not included in Title 12, Section 1551. No person, firm or corporation shall burn debris out of doors other than when the ground is covered with snow, except between the hours of 5:00 P.M. and 12:00 midnight.

This section shall not apply to burning in incinerators approved by a municipal fire chief, town forest fire warden or forest ranger; burning at municipally maintained dumps, burning in municipalities wherein ordinances control the time and manner of such burning; nor to special burning jobs where a written permit is provided by the municipal fire chief, town fire warden or forest ranger. Whoever violates this section shall be punished by a fine of not less than \$10 nor more than \$50.

LIBRARIAN'S REPORT

January 1972 — January 1973

The Library Association Meeting was held June 28, 1972. The following officers were elected:

Librarian — Mary Wilson
President — James Timberlake
Vice President — Edward Hamblin
Secretary — Marcia Hamblin
Treasurer — Milo Denny
Censorship — Esther Records
Trustees:
Chairman — Helen Timberlake
Ed McGough
Ruel Gordon
Myrtle Gordon
Hilda Kirwan
John Kirwan
Marion Irish

With deep regret the resignation of Mrs. Florence Denny, as Librarian, was accepted. Mrs. Denny was elected Librarian Emeritus in honor of thirty years of faithful service.

All reports were read and accepted.

It was agreed to revise the by-laws. Named committee is now working on this revision.

A special meeting was held July 10, 1972 at which time a small salary for the Librarian was voted.

The library day was changed from Wednesdays to Tuesdays, 2 — 5 p.m.

A special meeting was held July 31, 1972 to discuss a new roof and a furnace. It was voted to make these improvements. They have been completed.

A special meeting was held November 21, 1972. The resignation of Librarian Mary Wilson was read and accepted. Marcia Hamblin was appointed Librarian and Mary Booth Assistant Librarian. Arthur Booth was appointed janitor.

Marcia Hamblin resigned as Secretary. Marion Irish was elected to this office.

The Town appropriation of \$200 was used toward Library improvements.

Many "Neighbors and Friends" of the library have contributed reading material to the Library.

There are 10,550 books ready for circulation. Many new and used books are being catalogued now, and 350 books have been discarded. Circulation was 2,053. The discarded books were sold at auction.

At this time I wish to give special thanks to Mr. and Mrs. John Kirwan for all the help in cataloging the books for the Library, Mrs. Mary Booth for helping with the book files, and Mrs. Esther Records for helping to organize books on the shelves. All help was greatly appreciated.

Respectfully submitted,

MARCIA HAMBLIN
Librarian

FRANKLIN COUNTY AREA CLINIC

Tri County Mental Health Services, Inc.

ANNUAL REPORT

During 1972 increased staff significantly resulted in expanded programs. Two full time counselors provided counseling with children working closely with parents and school officials. An alcoholism counselor has developed a new program for alcoholics in the area with a great deal of success in helping persons with drinking problems to remain sober. Educational and consultation programs relating to alcoholism have been initiated in schools and with local industry. Two full time counselors and two part time counselors have provided services to adults with emotional and family problems. Charles W. Eastman, M.D. and John Arness, M.D., have provided psychiatric services, a total of three days per week.

On July 1, 1972 the Franklin County Area Counseling Service, Inc. merged with the mental health agencies of Oxford and Androscoggin Counties in order to insure continued and expanded State and Federal funding support for this organization. This transition has been smooth and has already resulted in a stronger, more stable program. The office has moved across the street in Wilton and is now located at 6 High Street, upstairs from the Village Sandwich Shop.

In your town 4 children and 9 adults were seen for a total of 196 interviews.

Androscoggin Home Health Services, Inc.

ANNUAL REPORT

In 1972 the Androscoggin Home Health Services had its most active year ever serving residents of the Androscoggin-Franklin-Oxford County region. Nearly 40,000 nursing, physical therapy, speech therapy, health aide and homemaker visits were provided to more than 1,600 patients/clients, an increase of 61% over 1971.

As I believe you know, in 1972 we were able to obtain some federal funds through Project Independence, this region's special project for the aging. This federal support became available to us only because we had the financial support of most of the region's communities; your funds served as the required local matching share. The important result of all this was that we were able to serve many more senior citizens in 1972 than in any previous year. The need is there, and with the help of the area's many towns and cities we will continue to meet it.

In the Town of Livermore the A.H.H.S. provided home care services to four patients and their families. Collectively these people received seventy-three visits by a professional nurse.

On behalf of our organization, I wish to express my appreciation to the town officials and citizens of Livermore whose support has been so crucial to our endeavors.

Sincerely yours,

RICHARD H. HOOPER
Executive Director

LAWS RELATING TO FORESTS, PARKS, LAKES AND RIVERS

1456-A Spark arresters on certain equipment

No equipment for producing power shall be operated in, through or near forest lands unless it is provided with approved and efficient spark arresters designed to prevent the escape of sparks, carbon deposits or other substances likely to cause fires. The operator of equipment not provided with such a spark arrester or having such a spark arrester which is not in effective operating condition shall be punished by a fine of not more than \$100 or by imprisonment for not more than 30 days or by both.

1653 Partial payments of costs of suppressing forest fires.

Any person, firm or corporation who shall willfully or negligently cause a fire which burns forest, brush, grass or other lands or shall willfully fail to take reasonable action to control a fire on his own land shall be liable civilly up to a maximum of \$500 of the suppression costs to the State or municipality which aids in suppressing the same.

2436-A Burning of debris

For the purposes of this section "debris" shall be defined as any manufactured products, household rubbish, hay or other vegetative accumulations or materials not included in Title 12, Section 1551. No person, firm or corporation shall burn debris out of doors other than when the ground is covered with snow, except between the hours of 5:00 P.M. and 12:00 midnight.

This section shall not apply to burning in incinerators approved by a municipal fire chief, town forest fire warden or forest ranger; burning at municipally maintained dumps, burning in municipalities wherein ordinances control the time and manner of such burning; nor to special burning jobs where a written permit is provided by the municipal fire chief, town fire warden or forest ranger. Whoever violates this section shall be punished by a fine of not less than \$10 nor more than \$50.

LIBRARIAN'S REPORT

January 1973 — January 1974

The Library Association Meeting was held June 27, 1973. The following officers were elected for the year:

Librarian — Marcia Hamblin
Assistant Librarian — Mary Booth
President — Edward Hamblin
Vice President — Arthur Booth
Secretary — Marion Irish
Treasurer — Myrtle Gordon
Censorship — Esther Records, Hilda Kirwan
Trustees:
John Kirwan, Chairman
Hilda Kirwan
Reuel Gordon
Myrtle Gordon
Marion Irish
Milo Denny
Wilma Irish
Custodian — Arthur Booth

All reports were read and accepted.

The Town Appropriation of \$400 was spent for Librarian's Salary, Custodian's salary, fuel, electricity, insurance, purchase of new books and supplies.

After serving twenty-five years as treasurer of the Library Association, Mr. Milo Denny resigned. The Association members voted to name the new room, which is the children's section, "The Denny Room" in honor of Milo and Rete for their many years of faithful service.

A large wall clock was presented to the Library by the Livermore Grange. It is hung over the fireplace.

It was voted to name Edward McGough an honorary member of the Association in appreciation of his generous contributions.

Many friends have donated generous gifts of books to the Library. These books are in circulation. Many thanks for their interest in the Library go to: Nellie Harmon, Ed McGough, Edward Hamblin and family, Arthur Booth, Verna Briggs, Esther Records, Mary Wilson, Livermore Falls Public Library; Glenda Austin, Auburn; Alden Wheeler, Winthrop; Ella McCullough, Connecticut and WCBB, Channel 10.

There are 5,600 books in the Library for circulation. There have been 215 books discarded this year. The circulation count was 1,358. The new books purchased this fall are: THE HOLLOW HILLS, Mary Stewart; WHITE PAVILION, Velda Johnson; THE WHITE ISLAND, John Lister-Kaye; A SPORTING PROPOSITION, James Aldrich; A THOUSAND SUMMERS, Garson Kanin; PENGUIN THAT HATED THE COLD, Walt Disney; DID I EVER TELL YOU HOW LUCKY YOU ARE, Dr. Seuss; HOW THE GRINCH STOLE CHRISTMAS, Dr. Seuss; and BABAAR VISITS THE PLANET, Laurent deBrunhoff bought with Town Money; WILL ROGERS, Richard M. Ketchum given by Ella McCullough; COME NINEVEH, COME TYRE, Allen Drury; MAINE BECOMES A STATE, Ronald F. Banks; I NEVER DANCED AT THE WHITE HOUSE, Art Buchwald; SKUNK IN THE HOUSE, Constance Taber Colby; SALAMANDER, Morris West; BAND OF BROTHERS, Ernest K. Gann; GOVERNOR RAMAGE, R.N., Dudley Pope, and YOU, MY BROTHER, Philip Burton, given by Arthur Booth.

We encourage more friends in town to use the Library. Mary Booth does an excellent job in helping you to select the book of your reading interest. The Library is open every Tuesday, 2-5 p.m. and other days by request.

Since the Brettuns School has closed, we have sincerely missed the children coming in to get books. Hopefully they will be transported to the Library soon by request.

Mary Booth and myself visited the Auburn Public Library in September to learn about the book and card system being used. The trip was very successful. We are now in the process of organizing a new card system.

Many thanks to Dave Pulsifer for the good job done on snow plowing and to Marion Irish for our well kept lawn.

A sign has been made for the outside of the Library stating the day and hours it is open.

Respectfully submitted,

MARCIA HAMBLIN
Librarian

FRANKLIN COUNTY AREA CLINIC

ANNUAL REPORT — 1973

During 1973, staff consisted of two full-time counselors and one part-time counselor, providing services to adults with emotional and family problems. Another full-time counselor, working, primarily, with the schools has instituted a new program of screening children with respect to mental retardation, learning disabilities and educational disturbances, John Gallagher is coordinating the program. Charles W. Eastmen, M.D. and John A. Arness, M.D. provide psychiatric services, a total of three days per week.

An alcoholism counselor has been involved in the schools and industries, setting up educational programs. Alcoholism programs were introduced to three industries in the area. Direct services have been provided to alcoholics and their families.

Our overall case load increased by 21% for the year of 1973.

In your town 4 children and 21 adults were seen for a total of 204 interviews.

Respectfully submitted,

ROBERT W. ADAMS
Director, Franklin County Area Clinic
Tri County Mental Health Services, Inc.

Androscoggin Home Health Services, Inc.

Since our founding in 1966, the Androscoggin Home Health Services has progressively increased its capability to meet health needs in the "Tri-County" region. There are, to be sure, numerous reasons for this, not the least of which is a growing national awareness that in-home health care is a necessary and important part of a good health care system. One of the major attributes of a home care program is that it often enables patients to receive appropriate care at home, rather than in a more costly institutional setting.

Much of our success to date derives from the strong and continuing support we have received from the many communities of the region. Despite the fact that a large portion of our operating costs are met through third-party payments from sources such as Medicare, Medicaid and various private insurance plans, it is municipal support which has enabled us to serve people on the basis of need. As you all know, not all people have insurance coverage, or adequate coverage, and the cost of a long-term illness hits this group particularly hard. It is local funds which enable us to reach these people in need.

So that we may continue to serve the people of the region and your community, we are again asking all communities for contributions in the amount of 30 cents per capita.

Thanking you for your cooperation, I am,

Sincerely yours,

RICHARD H. HOOPER
Executive Director

PLUMBING INSPECTOR'S REPORT

There have been 43 permits for plumbing issued in the town of LIVERMORE in 1973. 10 of these are new homes with septic tanks and drainage fields and 27 septic tanks and drainage fields plus 6 tankless heaters installed.

Under the new laws the Plumbing Inspector will be appointed by the Municipal Officers. The Plumbing Inspector need not be a resident of the town and pay will be determined by the Municipal Officers and paid by the town. Under the former law the Plumbing Inspector was under the jurisdiction of the local Health Officer and approval came from the Department of Health and Welfare. Also compensation was determined by the Local Health Officer.

The new law requires that the Plumbing Inspectors are to be certified by the commissioner of Health and Welfare. This will require classroom instruction and handbook review of portions of the Maine Plumbing Code and also examination on internal plumbing, private sewage disposal, laws and administration.

Respectfully submitted,

GERARD LEGERE
Local Plumbing Inspector

FIRE DEPARTMENT REPORT

This year the Fire Department was organized into an active 16-man Department with each man expected to attend eight training meetings a year out of ten. This coming year we have scheduled schools with Capt. Caldwell, State Fire Instructor; also will hold classes with the Maine Forest Service.

The Department has painted out the cabinets in the old fire truck to stop the rust and also hung special tools and equipment in the cabinets.

This year the Department had sixteen fire calls, two of them being major building fires, specifically Century Elm Farms potato storage and the former Leo Tessier homestead in Jay.

This January the Department experienced a large fire in the former Norris Labrecque farm. With the assistance of mutual aid a very successful stop was made.

For equipment this coming year, we would like to install a high band radio to put us in communication with the Livermore Falls Department and the Forestry Service.

The Department would like to express its appreciation for the fine equipment and support the Town has provided.

Respectfully submitted,

CARLTON M. BERRY
Chief

FRANKLIN AREA CLINIC

TRI-COUNTY MENTAL HEALTH SERVICES, INC.

During the year of 1974, the Franklin Area Clinic continued to offer psychiatric services as well as mental health and alcoholism counseling. In addition the clinic:

- sponsored a public meeting to discuss recent mental health Legislation with local state legislators;

- cooperated with RHA to present four public educational programs on mental health and hyperactivity in children;

- conducted training programs and consulted with the Crisis Intervention Phone Service;

- presented education programs for staff members of the Community Action Council, Inc.;

- consulted with law enforcement personnel in the Franklin County Area;

- provided consultation services in most area schools, including Headstart and UMF.

Continuing the long standing policy of providing services as near as possible to residents of the area an agreement with RHA has made it possible to have a counselor available on a weekly basis at not only the Wilton office of TCMHS but major thrust of services provided has been and continues to include individual and group counseling, marriage counseling, drug therapy, alcohol counseling, screening Augusta Mental Health Institute admissions, referral services to St. Mary's Hospital inpatient psychiatric program and psychiatric evaluations.

In the Town of Livermore 20 children and 39 adults were seen for a total of 247 contacts.

BENJAMIN HOMER CLARDY
Local Plumbing Inspector

TASK FORCE

THE TASK FORCE ON HUMAN NEEDS

The Task Force on Human Needs needs local cash support to use as seed money for federal funding and to fund activities which cannot be federally funded. All these programs fill important needs.

We are requesting that each municipality in Androscoggin County pay ten cents per capita per year based on the 1970 census (1,610 for Livermore). This makes your proportion \$161.00.

Enclosed is a statement of the dollars which these programs bring into Livermore in services rendered to your residents and salaries paid to your residents for the past year (Nov. 1, 1973 to Nov. 1, 1974). As indicated the total benefit to Livermore was \$9,605.54.

Program	Number clients from Livermore	Number of employees from Livermore	Average cost per client	Total
Head Start	1		992.00	992.00
Home Repair	2			82.50
Summer	7		455.12	3,185.84
		8		3,424.00
Project F.U.E.L.	10		192.12	1,921.21
Total Benefit to your community				\$ 9,605.54

PROJECT INDEPENDENCE

WESTERN OLDER CITIZENS' COUNCIL, INC.

Project Independence provides many services for the Senior Citizens in your town but because of the current economic situation there are more demands being made for our services and programs from your elderly citizens.

Our transportation system (P.I. mini-buses) makes it possible for your Senior Citizens to go to doctors, dentists, the hospital, clinics, buy groceries, get medicine, cash Social Security checks, and to our nearest meal site. This list is endless and the statistics for this area are tremendous. Without adequate transportation, many services would have to be curtailed.

Our Outreach and VISTA workers find the isolated elderly in your urban and rural areas, also the ill, shut-ins, and disabled. As a result of the activities of these workers, more people in your town have received tax and rent refunds, and our workers are continually finding more people eligible to receive Supplemental Security Income (S.S.I.) checks.

As a result of our association with Androscoggin Home Health Association, there has been expanded health services in all towns. The elderly in increased numbers are taking advantage of the health screening, flu shot clinics, and the home health care programs.

We have recently provided legal aid to the elderly through our trained para-legal person working under the supervision of a lawyer.

We sponsor the Retired Senior Volunteer Program (R.S.V.P.) which provides Senior Citizen volunteer help to hospitals, nursing homes, libraries, schools etc.

It is difficult to adequately explain our program in a letter, but we do bring a variety of necessary services to many worthy citizens.

LIBRARIAN'S REPORT

The Library Association met June 19, 1975. The same officers were re-elected. All reports were read and accepted.

The Town Appropriation of \$500. was spent for Librarian's salary, Custodian's salary, fuel, electricity, insurance, purchase of new books and supplies. The following improvements have been completed: better lighting, new wiring, a new ceiling and insulation in the Children's Room and a new combination door.

Many new books have been added. The Library received generous contributions from friends. We have added 315 volumes to our shelves.

Many thanks to Dave Pulsifer for the good job done on snow plowing and to Marion Irish for our well kept lawn.

1975 was a good year.

Respectfully submitted,
Marcia Hamblin, Librarian

FRANKLIN AREA CLINIC

TRI-COUNTY MENTAL HEALTH SERVICES

Services provided within the Franklin County Area by Tri-County Mental Health Services included continuation of individual counseling, alcoholism counseling, group counseling, family counseling, psychiatric therapy, marriage counseling, drug therapy, screening of admissions to the inpatient psychiatric services at St. Mary's Hospital and Augusta Mental Health Institute. Consultation services have also been provided to schools, Sheriff's department and Community Action Program workers. Also, expanded services to the mentally retarded have been sponsored by TCMHS in Franklin County. The longstanding policy of providing services as near as possible to residents of the area was continued through an agreement with RHA whereby a counselor has been available on a regular basis in RHA facilities in Jay, Farmington, Rangeley and Kingfield in addition to services provided at the office at 6 High Street in Wilton. Contracts with SAD #36, Rangeley Schools and Jay Schools have been made in order that consultation to these schools about mental health problems has been made available.

During 1975 7 children and 16 adults from your town were seen by Franklin Area Staff for a total of 86 contacts. These statistics do not reflect activities performed under the school contracts mentioned above.

This year your town is being requested to provide financial support in order to help defray costs of operation in order that individuals do not have to pay the full costs of service but are only charged on a sliding scale based on ability to pay.

Respectfully submitted,
Robert W. Adams,
Unit Director
Franklin Area Clinic

ANDROSCOGGIN HOME HEALTH SERVICES, INC.

Services fall into two categories—prevention and treatment. On the prevention side, 1,969 flu shots were provided to senior citizens during the fall. During the spring and fall, 1,100 senior citizens participated in the health screening clinics which have been cooperatively sponsored by the A.H.H.S. and Project Independence since 1971. The success of these clinics—screenings and flu shots—is attributable largely to the boundless enthusiasm of the senior citizens.

Our health screening program for children, limited to Medicaid-eligible children in Androscoggin and Oxford counties, provided physical screenings to 950 children during the year; an additional 3,500 were contacted and, where necessary, referred to area doctors. This program is carried out by the A.H.H.S. under contract to the Department of Human Services.

Home care services—39,449 visits in all—were provided to 1,656 patients and clients during 1975. This represents slightly more than a 16% increase over the previous year. One of our greatest challenges is keeping pace with this rising demand for home health care and homemaker services.

There were 11 Livermore residents who received home care services during 1975. These patients received a total of 299 home visits. By type and volume visits consisted of nursing, 141; home health aide, 83; and homemaker, 75. In addition, 3 senior citizens received health screenings and 8 received flu shots.

We gratefully acknowledge the support of the Livermore community in 1975.

Respectfully submitted,
Richard H. Hooper
Executive Director

LIVERMORE FIRE DEPARTMENT REPORT

The Fire Department this year has answered 30 fire calls in town, 3 out of town and 2 training fires.

We had five serious fires this year with three reported house fires that were not serious, but this has resulted in a very high labor account.

Repairs have been high this year with replacement of pump belts, packing, pump, vacuum booster for brakes, coil and tune-ups. These trucks are getting older, our new one is 7 years old and the old one is 17 years.

New batteries will be required for both trucks in the near future. We need to replace three 2½" lengths of hose.

Future equipment should be three coats and helmets, and two breathing apparatus.

The Department has held a Training Course in organization and structural fires by Captain Cadwell of the State Education Dept., one course from the Forestry Department on forest fires, and one meeting on C.P.R., plus our own training sessions.

We would like to express our appreciation for the fine equipment and support the Town has provided.

Respectfully submitted,
Carlton M. Berry, Chief

ANDROSCOGGIN HOME HEALTH SERVICES, INC.

ANNUAL REPORT

In 1977 Androscoggin Home Health Services provided some 50,508 home care visits of various types to 2,138 residents of the Tri-County area. This represented another 20% increase over the previous year, thus continuing a growth trend which began in 1970. Services provided by staff out of locations in Auburn, Norway, Rumford and East Wilton included nursing, physical therapy, occupational therapy, speech therapy (limited availability), home health aid and homemaking.

In Livermore 12 individuals received 354 home visits. Categorically these were nursing (90), physical therapy (101), home health (23), and homemaker (140).

While the home care program relates to a variety of situations and provides a range of potential benefits to patients and those around them, its main purpose is to make possible the optimal independence of those who utilize it. This may mean something as relatively uncomplicated as helping an elderly couple remain in their home by providing several hours of visiting homemaker service each week. Or it may involve a carefully worked-out plan to help a stroke victim to recovery through a regular home-based physical therapy program.

As in the past, a majority of patients served by the home health program possess coverage for services, either through publicly supported programs like Medicare and Medicaid, or through private insurance programs like Blue Cross/Blue Shield. But a large portion of services are provided to patients who are uncovered by either public or private programs, and whose sickness or disability often has reduced or eliminated family income. Because of the support provided by Livermore and the other municipalities of the region, nearly \$300,000 in home care services were provided without charge in 1977. On behalf of the many patients and families who have benefitted from your support, we extend our appreciation.

LIBRARIAN'S REPORT

The Library Association met for its Annual Meeting in June 1977. The same officers were re-elected. All reports were read and accepted.

The Town Appropriation of \$600 was spent for the upkeep of the building and purchase of new books.

Through July and August we held book sales during Library hours. The money was spent for new books.

Generous contributions from our friends of the community were as follows: Ed McGough, Milo Denny, Alden Wheeler, Margaret Boyce, Carroll Suds, Dollypearle Drysdale, Arnold Sturtevant, Peggy Fleury and the Community Club. Gifts were received in memory of the following: Ashley Guild, Hazel Bisbee, Pauline Timberlake, Kip Philoon and Oscar Turner.

We held an open house last summer in observance of the Library's 60th Birthday. This occasion was well attended.

In August, Stan Davis was a special guest with a children's folk music program on the lawn of the Library. Thirty children were present to sing along.

Our circulation count for 1977 was 1,860. We have circulated 112 large print books this year. This is one of the special services we offer. We added 295 new volumes to our shelves.

The Library Staff expresses appreciation to John Newman and Charlie Timberlake for the nice job done with snow removal. Also to Marion Irish for our well kept lawn.

With deep regret, I have resigned as Librarian to fulfill other responsibilities. I report that the Library patronage has grown considerably during the past six years. With continual help from the Library Staff and the support from the town it will continue to progress.

In closing, I express my appreciation to Arthur and Mary Booth for their devoted assistance given me through the Library years. Thank you.

Respectfully submitted,
Marcia Hamblin, Librarian

TRI-COUNTY MENTAL HEALTH SERVICES FRANKLIN COUNTY

Tri-County Mental Health Services with its office in Wilton, continues to offer mental health counseling to those in need. During 1977 the total of 554 clients were seen. The number of clients visits to our Wilton office amounted to nearly 2,500. Our staff of psychologist, alcoholism counselor, psychiatrist, and mental health workers were also quite involved in counseling in area schools to provide expertise with children having learning and adjustment problems.

The type of problems we deal with varies and our programs are designed to meet the specific needs of the individual. Our goals include preventing state hospital commitment, helping people feel less depressed, counseling people who are under pressure from bills, family jobs. Other goals are to teach people how to cope with losses in their lives, marital counseling in an attempt to better the relationship, and helping individuals to learn to deal with and overcome fear and anxiety. One of our primary goals is to work to prevent mental illness, therefore we look to help people during the early stages of problems.

Each year Tri-County Mental Health Services looks to the communities they serve in order to financially help support our work. As a clinic we seek to keep our fees low, therefore each person is assessed according to the family income and the number of dependents in the family. The communities' contributions help us to keep these fees low.

We have appreciated your town's support in the past and look forward to serving you in 1978.

Thomas P. Peters, II
Director, Rural Services

FIRE DEPARTMENT REPORT

The Fire Department this year has answered 45 calls including three out-of-town mutual aid calls; two forest fires with half the cost reimbursed by the state.

Training courses in C.P.R. were held with a state instructor and the Forestry Service conducted a six-week training school on fire control. With the last meeting they provided a simulator which was quite effective.

Livermore, Canton, Turner, and Leeds Departments met in September and agreed to an Area Mutual Aid Agreement. This was used very effectively at the Raymond Lovewell fire.

We have limited our Department to eighteen men and they will all have protective clothing after this year. This will make them look quite professional at the scene. It is the Chief's concern that this might make some of the town's people hesitate to step forward and help us at big fires like they have in the past. This Department has always enjoyed the support and help of the people and equipment that they have available. We look forward to continuing this relationship.

When in need of information or fire permits, please do not call on the emergency fire phone. This disturbs eight different homes. Please call Berry Hill at 897-3482, or my phone 897-3178.

The men have donated their wages this year to purchase one Scott Air Pack and Spare Tank. We would like to see the Town purchase one also, plus some small

equipment which we have asked for under the equipment account.

The Department would like to express its appreciation for the fine equipment and support the Town has provided.

Respectfully submitted,
Carlton M. Berry, Chief

ANNUAL REPORT - 1978

In 1978 our home care services were provided to 12 patients/clients residing in Livermore. Collectively, these persons received 352 home visits by our staff. Visits by type and volume were as follows: professional nursing (121), physical therapy (12), occupational therapy (9), homemaker service (207).

Persons admitted to the home care program receive physician-directed, professional health care at home on a part-time, intermittent basis. People of all ages with a wide variety of health problems, both chronic and acute, are served. One of the most important goals of the program is to provide an effective and desirable alternatives to institutional care—to enable an "early" discharge from the hospital, or to postpone placement in a nursing or boarding facility.

While services to many patients are financially covered by such programs as Medicare, Medicaid, Blue Cross/Blue Shield, or various commercial insurance plans,

30% of all home visits we made in the region last year would not have been possible without the support of area towns and cities, and the United Way of Androscoggin County. In Livermore alone, over \$2,300 in home care services were made possible by local support.

We greatly appreciate the support of your community, and look forward to serving you in 1979.

Respectfully submitted,
Richard H. Hooper
Executive Director

LIBRARIAN'S REPORT

A special meeting of the Livermore Library Association was held on January 4, 1978. The resignation of Marcia Hamblin was accepted with regret, and Mary Booth was elected Librarian.

The Annual Meeting was held June 20, 1978. The following officers were elected: President, Edward Hamblin; Vice President, Arthur Booth; Secretary, Marion Irish; Treasurer, Myrtle Gordon; and Librarian, Mary Booth.

Improvements during the year include a storm door installed at the side entrance; repairs to the door and flooring in that area; and new flags and poles. A new American flag and a State flag are the gifts of Milo Denny, who also had the poles installed on the posts in front of the building.

An auction was held on August 5th to raise money for storm windows and lights. Circulation for 1978 was 1,945. The Librarian entered a contest in the spring and was awarded 100 new books from the State Library. The total of new books is 265. There are now over 5,500 volumes in the library.

The file of Town Reports is nearly complete from 1889 to the present. The missing years are 1899, 1936, and 1939. If anyone has a copy of one of these which they are willing to donate, it will be appreciated.

We wish to thank all those people who have given of their time, money or books during the past year.

Respectfully submitted,

Mary W. Booth, Librarian

Gentlemen:

In accordance with your request, an audit has been conducted of the financial records of the Town of Livermore for the fiscal year ended December 31, 1978.

The examination was made in accordance with generally accepted auditing standards and subsequently included such tests of the accounting records and such auditing procedures as were considered necessary in the circumstances.

In my opinion, the records incorporated in this report present fairly the financial position of the Town of Livermore as of December 31, 1978, and the results of its operations for the year then ended.

Respectfully submitted,
Harold L. Jordan
